

FILM FESTIVAL

MOVING GOD, MOVING PICTURES: PRAYER IN THE MOVIES

DATE & TIME: January 30 - 31, Friday - Saturday

LOCATION: Center for Christian Study

From *It's a Wonderful Life* to *Dead Man Walking*, the act of praying to a God who hears is essential to the stories of many of Hollywood's most recognized presentations. This film festival will explore the different ways the movies embrace and depict prayer and compare those to the variety of ways the church has understood prayer down through history. We will show four films over the two day-period, each with a different slant on the idea of praying. Details and registration information will be available in late fall at the website, www.studycenter.net.
